ABOUT ME

A former student of Veterinary Medicine, I am currently in a career transition. I am pursuing an opportunity as intern in Data Science & Analytics.

EXPERIENCE

Vet intern at Hospital VEROS (jul/2022 – nov/2022)

- Support with hospital routine, including animal restraint and post-anesthetic monitoring.
- Developing organizational and teamwork skills.

Volunteer at Toka dos Pets Clinic (dec/ 2021 – mar/ 2022)

- Support in veterinary consultations and stock control.
- Improved management and organizational skills.

General Assistant at Primavet Clinic (sep/ 2018 – oct/ 2019)

- Reception, issuing invoices and stock control.
- Experience in customer service and administrative control.
